### **Attention Members of the Men's Club of Sun City Center!**

Dear Men's Club members

On behalf of the Men's Club, I'd like to express our deepest gratitude to Dan Madden for his captivating presentation on the Revolutionary War. His insightful exploration of that turbulent period was truly enlightening and resonated deeply with all who attended. We were all inspired by his knowledge.

We are also thrilled to announce a significant collaboration with the University of Florida's Tropical Aquaculture Laboratory in Ruskin. In September, Eric Cassiano, Extension Scientist, will share his extensive knowledge on aquaculture production, aquatic animal health, the identification of non-native species, and the vital work the University is undertaking to protect and enhance the health of our Gulf, waterways and lakes. This promises to be a highly informative and engaging presentation.

Looking ahead to the final quarter of 2025, the Men's Club has an exciting calendar of events planned. We'll be hosting a Health Fair on October 23rd and a Golf Tournament on November 22nd. These events offer wonderful opportunities for camaraderie and community engagement. We will also be reaching out to our community for your generous financial support to help us continue our important work. Your contributions are crucial in allowing us to fund vital healthcare initiatives and other projects aimed at improving the quality of life for all.

The success of the Men's Club is inextricably linked to the support of our members, and we are immensely grateful for your active participation. We especially want to acknowledge those members who have been instrumental in inviting their neighbors and friends to join our growing community. Your efforts have been invaluable, and we warmly welcome all our new members! Please continue to spread the word – we're always looking to expand our membership.

We look forward to seeing you at the September 17th luncheon.

Sincerely,

Elliott Bart  
President, Men's Club of Sun City Center
